

Anders Östlund

DYB

Master of Science in Business and Economic
(Stockholm School of Economic)

Alumni Advisory Board Member at Stockholm School of Entrepreneurship
Owner and founder Coffeenar Ukraine, Fryday Kyiv, Stella100 Ukraine

Anders was part of the team that established the Stockholm School of Entrepreneurship and was responsible for the creation of the administrative processes as well as hiring and marketing the organization.

His entrepreneurial projects include an e-learning platform, a health clinic and a convenience retail chain. In May 2006 Anders co-founded Ticket2.com, an internet market place for event ticket trading. In spring 2007 Anders was listed as one of Sweden's hottest IT-entrepreneurs by Internet World. In April 2009 he started the professional development network Stella100 in Ukraine, which cooperates with companies and universities to further recruitment, employer branding. Today Stella100 has more than 12,000 registered members.
